Due date: 12/15/2025, 11:59 pm ET. Project and paper are worth 40% of your final grade.

As mentioned in earlier, at the end of the semester, each student will present their project in class and submit a conference-style paper (minimum 8 pages in LNCS format, approximately 3,500 words, use LaTeX). We start the project presentations on 12/2 and finish on 12/9. The final paper is due on or before December 15, 2025.

Submission:

1. `cd` into the `src/` directory off your catkin workspace. Clone the new repo for your final: `git clone` https://classroom.github.com/a/-SO01EiI. Add your presentation, videos, and the paper here.
